Clarity and Simplicity

Legal documents should be straightforward. Use simple words where possible:

Avoid ambiguous phrases and ensure each sentence has a clear purpose.

Conciseness

Organization and Structure

Organize content logically with headings, subheadings, and bullet points. Use numbered lists for step-by-step instructions or sequences.

Active Voice

Prefer active voice over passive voice for clarity:

- Instead of "The document was signed by the client," say "The client signed the document."

Consistent Terminology

Use terminology consistently throughout documents to avoid confusion.
